

Students Enrollment for higher semesters:

1. This semester, student enrollment is done by the respective department where the student belongs, except for the Open Electives and HSMC Electives.
2. **Enrollment for Open Electives and HSMC Electives must be done by the students, and that option will be made available in 'Academic Connect'. Kindly verify your login pages on 28th July 2024 for the date and time of enrollment.**
3. For honours courses, students should approach the department they belong and do the enrollment.
4. For minor courses, students should approach the departments that offer the courses for the enrollment.
5. List of open elective courses, minor courses and the HSMC electives will be available in 'Academic connect' on 28th July 2024.
6. All other courses the department, where the student belongs, will do the enrollment.
7. Fee payment is mandatory for the enrollment. Neither the student nor the department can have the option of enrollment, if the semester fee payment is not completed.
8. Students can confirm the enrollment through 'Academic Connect', there in check the Class Schedule for the courses listed there. Only the courses you have got the enrollment will be displayed. In case, missing of any course or discrepancy contact the concerned department to rectify, to avoid issues at the later stage.
